Comcast Business Receives Two TMCnet Awards

Company Recognized for TMCnet's INTERNET TELEPHONY SD-WAN Product of the Year and TMCnet's INTERNET TELEPHONY Product of the Year

PHILADELPHIA – May 4, 2021 – Comcast Business today announced that [TMC](#), a global, integrated media company, has recognized the company's solutions and work for two of its awards programs: an INTERNET TELEPHONY SD-WAN Product of the Year Award and TMCnet's INTERNET TELEPHONY Product of the Year Award -- both for the fourth consecutive year. Comcast Business was recognized for ActiveCore with Software Defined Wide Area Networking (SD-WAN) and VoiceEdge, respectively.

INTERNET TELEPHONY SD-WAN Product of the Year Award

The INTERNET TELEPHONY SD-WAN Product of the Year Awards are bestowed upon companies that demonstrate the innovation, vision, and execution to deliver software-based networking tools to support different and unique communities of interest.

SD-WAN is the first solution powered by Comcast Business ActiveCore, the nation's first cable-delivered, gigabit-ready SDN platform, supported by the [nation's largest Gig-speed network](#). Comcast Business SD-WAN helps businesses streamline the monitoring and management of the health of their entire network with an intuitive digital experience, self-service portal and a mobile app. Comcast Business customers can also use [Amazon Alexa for the ActiveCore platform](#), enabling IT to seamlessly and securely take mobile management to a new level by conveniently accessing important network status and health information using voice recognition technology.

"From back-to-work to never-going-back to work, no workplace is one-size-fits all. Comcast Business is committed to helping our customers transition or continue operating, no matter their location," said Bob Victor, Senior Vice President, Comcast Business. "It is an honor to be recognized by TMC for our dedication to providing advanced technology solutions to keep businesses connected and prepared for whatever comes next."

INTERNET TELEPHONY Product of the Year Award

The winners of the 2021 INTERNET TELEPHONY Product of the Year will be featured in INTERNET TELEPHONY magazine online and on TMCnet.

Comcast Business [VoiceEdge](#) is a hosted voice and unified communications solution supported and managed by the Comcast Gig-speed network. VoiceEdge gives businesses of all sizes the ability to manage voice communications from any device desktop, laptop, tablet or smartphone, enabling them to enhance productivity and communications across multiple locations.

"I am honored to recognize Comcast Business for its commitment to excellence and innovation," said Rich Tehrani, CEO, TMC. "In the opinion of our judges and editorial team, VoiceEdge has proven to be among the best communications and technology solutions available on the market. ActiveCore with SD-WAN has demonstrated true innovation and is leading the way for Software Defined Wide Area Network. I look forward to continued excellence from Comcast Business in 2021 and beyond."
